

The brainchild of the Town of Neversink Parks & Rec team was to provide something fun during the winter months and utilize the amazing fairgrounds we have in our town. What started as a small idea blossomed into a big fun event.

Memories of Winterfest

At the Grahamsville Fairgrounds

We will have lots of vendors selling crafts and food.

Your school and sports organizations will be there selling snacks and other items.

We will have the Beer Garden, music and Ice Carving demonstrations.

And we will have lots of fun things to do. If there is snow, bring your sleds, saucers and tubes for sledding. If there is no-snow, don't worry we have lots of other things to do.

The ICE RINK WILL BE OPEN FOR THE EVENT.

And there is NO ENTRY FEE for the event!

Check our Town of Neversink Parks & Recreation Facebook page for updates. Any questions please contact Parks and Recreation at cwparksandrec@gmail.com

The Ice Skating Rink was open to all.

From beginners to the well-seasoned skaters all the skaters had a delightful time. Thank you to the crew and volunteers who kept everything going and safe.

New skaters were helped by parents, family and friends and a nifty device to help steady them on the ice.

The hill was busy all day with kids, young and older having fun.

Many took advantage of the fire pits that were safely placed to help those who needed to get dry and warm.

All that exercise made a hungry crowd. The food and drink was plentiful. The Roadhouse Rolling Bar hosted the Beer Garden, selling not only beer but wine slushies, mulled wine and cider. Tri-Valley School organizations and our Little League & Bear Cub Basketball sold a variety of food, including hot dogs, chili, nachos, chips, soft pretzels and chocolate covered pretzels and much more.

What's Poppin Popcorn was there with their famous delicious kettle corn. Justus Ashthaler Maple Syrup Co. provided maple cotton candy and other delights

Entertainment and things to do besides the usual winter sports abounded.

Music was provided by Jesse Noren and Shane Rennison.

There were lots of games such as Corn Hole, Can Jam, Jenga and Connect 4.

The number of craft vendors included woodworking products, homemade leather products, jewelry, clothing, art, candles & soaps, hand woven wool yarn, stained glass, yummy baked goods and special Charcuterie Boards.

There was something
foreveryone!
Even time, if you
wanted to relax and chat.

The Sledding Hill--
for many-- the highlight of the day!

The hill was busy all day!
Like the tale of Sisyphus -
up the hill and then a ride
back down, then up the hill
again, for the fun - the quick
ride back down...

...up the hill then the ride down
the hill - again and again,
and...the fun
didn't stop

There was a craft tent filled with "fixens" for the kids to make their own Valentine's Day surprises for Mom & Dad. The Tri-Valley PTO sponsored Party Painter Face Painting.

A photograph of a winter festival scene. In the foreground, there is a large, snow-covered area. In the middle ground, a large, multi-colored (rainbow) tent is set up. To the left, there is a white tent. In the background, there are several buildings, including a large wooden structure with a gabled roof, and bare trees under a cloudy sky. The overall scene is festive and wintry.

... as the day came to an end, everyone left with fabulous memories of an incredible day of fun, food and meeting family and friends at the Town of Neversink Park and Recreation's

1st Annual Winterfest!

May the 'saga' of tales of the Winterfest go on and on as we look forward to future and celebrating for years to come -- the Annual Winterfest in Grahamsville.
